CORE SKILLS

- Problem Solving
- Teamwork & Collaboration
- Communication
- Adaptability
- Attention to Detail

TECHNICAL SKILLS

- Python — Intermediate
- C++ — Basic
- JavaScript / TypeScript
- Next.js / Web Development
- Data Structures & Algorithms
- Machine Learning
- Git / GitHub

INTERESTS

- Software Development
- Modern Web Technologies
- Artificial Intelligence & Machine Learning
- Embedded Systems & Microcontrollers Technology & Innovation

LANGUAGES

- English (Fluent)

PROFILE

Computer Engineering student with a strong foundation in software development, programming, and computer systems. Skilled in problem-solving and interested in both software and hardware technologies, with hands-on experience through academic and personal projects. Eager to apply technical knowledge to real-world challenges, contribute to collaborative teams, and continue developing practical skills in a professional environment.

EDUCATION

Bachelor of Science in Computer Engineering
European University of Lefke, North Cyprus
Expected Graduation: 2027

West African Senior School Certificate Examination (WASSCE/WAEC)
Super Academy, Benin City, Nigeria
Graduated: 2023

WORK EXPERIENCE

Computer & Graphic Design Assistant — **2023 - 2024**
Fibre Computer Technologies, Benin City, Nigeria
Responsibilities:

- Provided computer services including typing, document formatting, printing, and customer assistance.
- Created flyers, posters, and other designs using CorelDRAW and Adobe Photoshop
- Assisted customers with various computer-related requests and services.

PROJECTS

Full-Stack Web Development Projects
Developed web applications using JavaScript/TypeScript, Next.js, and related technologies.

C++ Object-Oriented Programming Projects
Built programs applying object-oriented programming principles and problem-solving techniques.

Graphic Design Projects
Created flyers, posters, and other digital designs using CorelDRAW and Adobe Photoshop.

Embedded Systems Projects
Explored microcontrollers and embedded systems through academic and hands-on work.
